

Bòb

I am Bòb, and although I'm pretty excited about our encounter, let's begin by making sure you pronounce my name correctly. It's 'Bab' rather than 'Bob' and it's 'Bub' rather than 'Bab'. So the exact pronunciation of my charming little ò lies somewhere between the 'a', the 'o' and 'u' (are you still following?). By now you may have noticed that I'm pretty willful and pretty much, well... – *me*. I am here to remind you to be like this, too. With my painting – full of evergreens and muddy loveliness – I intend to remind you to choose your own colors and color your own life. Be there, be present, be true to your nature, choose actively, go on walkabouts and feel free, for living life the you-way, will make you truly thrive.

My go-to quote: “The wilderness holds answers to questions we have not yet learned to ask.”
