

Seal XVI

I am Seal XVI, named after a seal ring and that lovely 16th state Tennessee. And just like that state, I am artsy, unique and wild for music. I am here to remind you of those qualities within yourself. You're an artist of life, a painter of colors and a singer of truths and depth. I am here to remind you that that wonderful soul of yours, is perfect as it is. And with me, you seal it with a kiss.

My go-to quote: "Sealed with a kiss."
